

## Relax. Unwind. Breathe in. Breathe out.

You're on Island Time. Enjoy life in the slow lane. Take a beach walk or a bike ride. Enjoy a cool beverage poolside. Take a nap. Grab a bite to eat or get it to go. Hang out on the lanai and watch the sunset. Events are on hold for now but there is always something to see and do when you want to get out and about. And don't forget—it's turtle nesting season! Please follow the rules to keep beaches dark and safe for mamas and hatchlings. *If there's anything we can do to make your stay more enjoyable, please be sure to let us know.*

### Things to Do

Maybe it's not a beach day or maybe you feel like exploring. Check out our **Things To Do** pages for details about restaurants, shopping, boating, fishing, arts, live music, and more. Even when there's nothing to do, there's always something to do!
